

Introductory Questionnaire

Name:

Preferred Name:

Year in School:

Hometown:

Area of Interest or Major (if decided):

What's the last math class you took, and when did you take it?

What's something you hope to learn in this course?

What's one of your favorite things (for example, food, band, or color)?

What's one of your *least* favorite things?

Is there anything else you would like your instructor or TA to know?

Please return this form to your instructor in lecture on Tuesday, Aug 30, or Thursday, Sep 1.
